ABOUT THE PROJECT

Making Future Possible

Marketing & Sales Partner of ADM

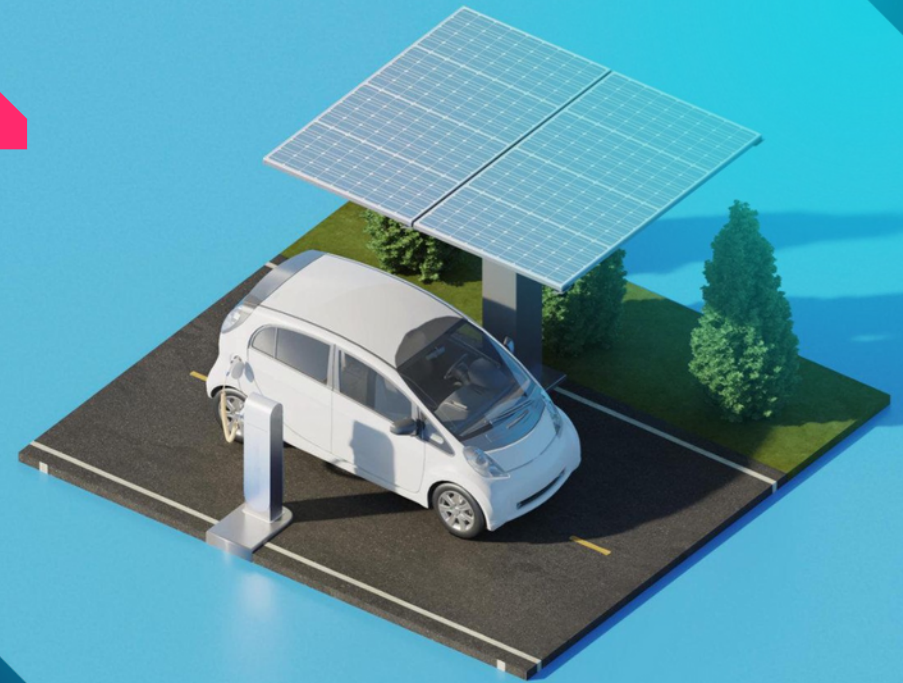

OUR COMPANY

We are Official Sales & Marketing Partner of ADM Group. Fast Grow More Agency announces the activation of its entire operations in Pakistan. After Providing Services in UAE, UK and USA. We are also registered in UK & USA.

ABOUT THE PROJECT

ADM aims to electrify Pakistan with a nationwide network of fast EV charging stations. We want to build out a convenient, reliable, customer-centric network of electric vehicle chargers at workplaces, in communities, and on highways. ADM plans to install one charging station at an average of each 100 kms throughout Punjab and each 150 kms in Sindh and other provinces.

“We are now all Pakistanis —not Baluchis, Pathans, Sindhis, Bengalis, Punjabis and so on —and as Pakistanis, we must feel behave and act, and we should be proud to be known as Pakistanis and nothing else.”

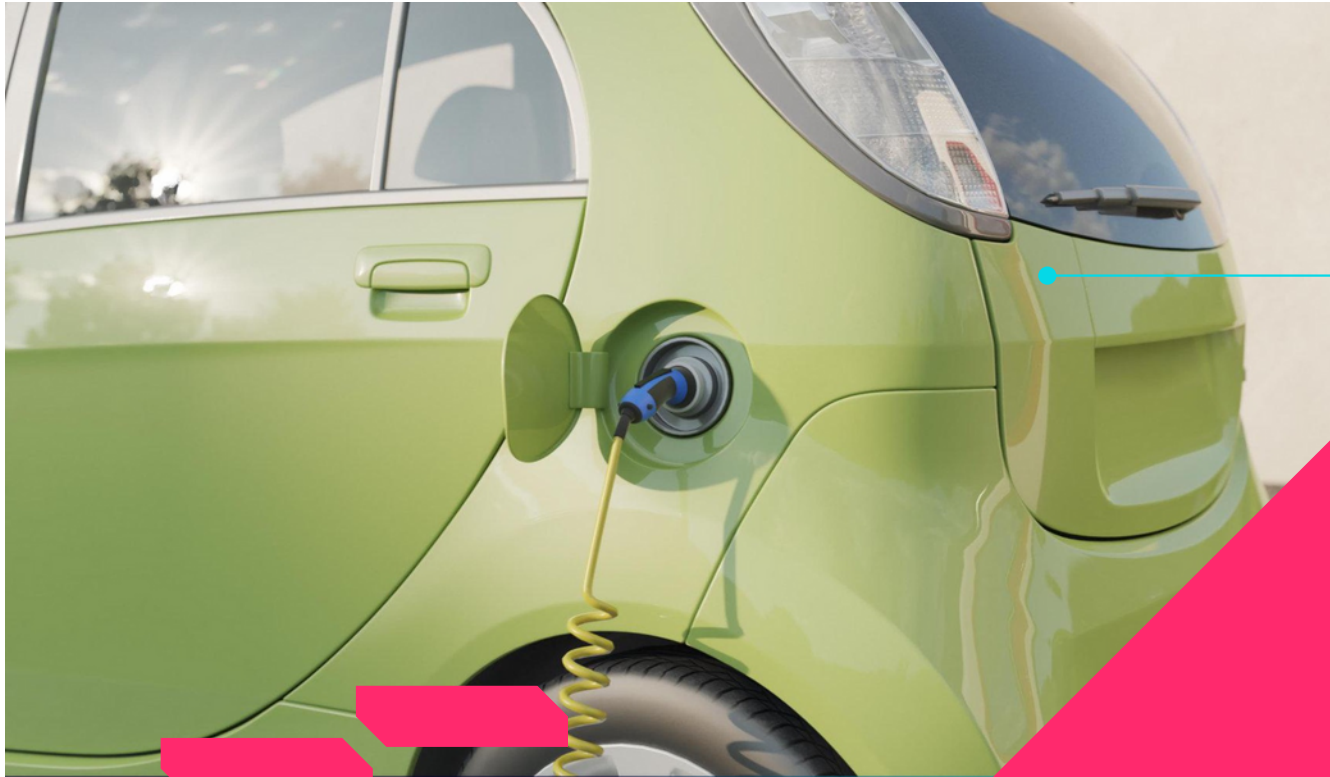

—Quaid-e-Azam Muhammad Ali Jinnah

NOW

Petrol prices have surged to a record high in Pakistan, going from Lahore to Islamabad would take 9000 PKR on average.

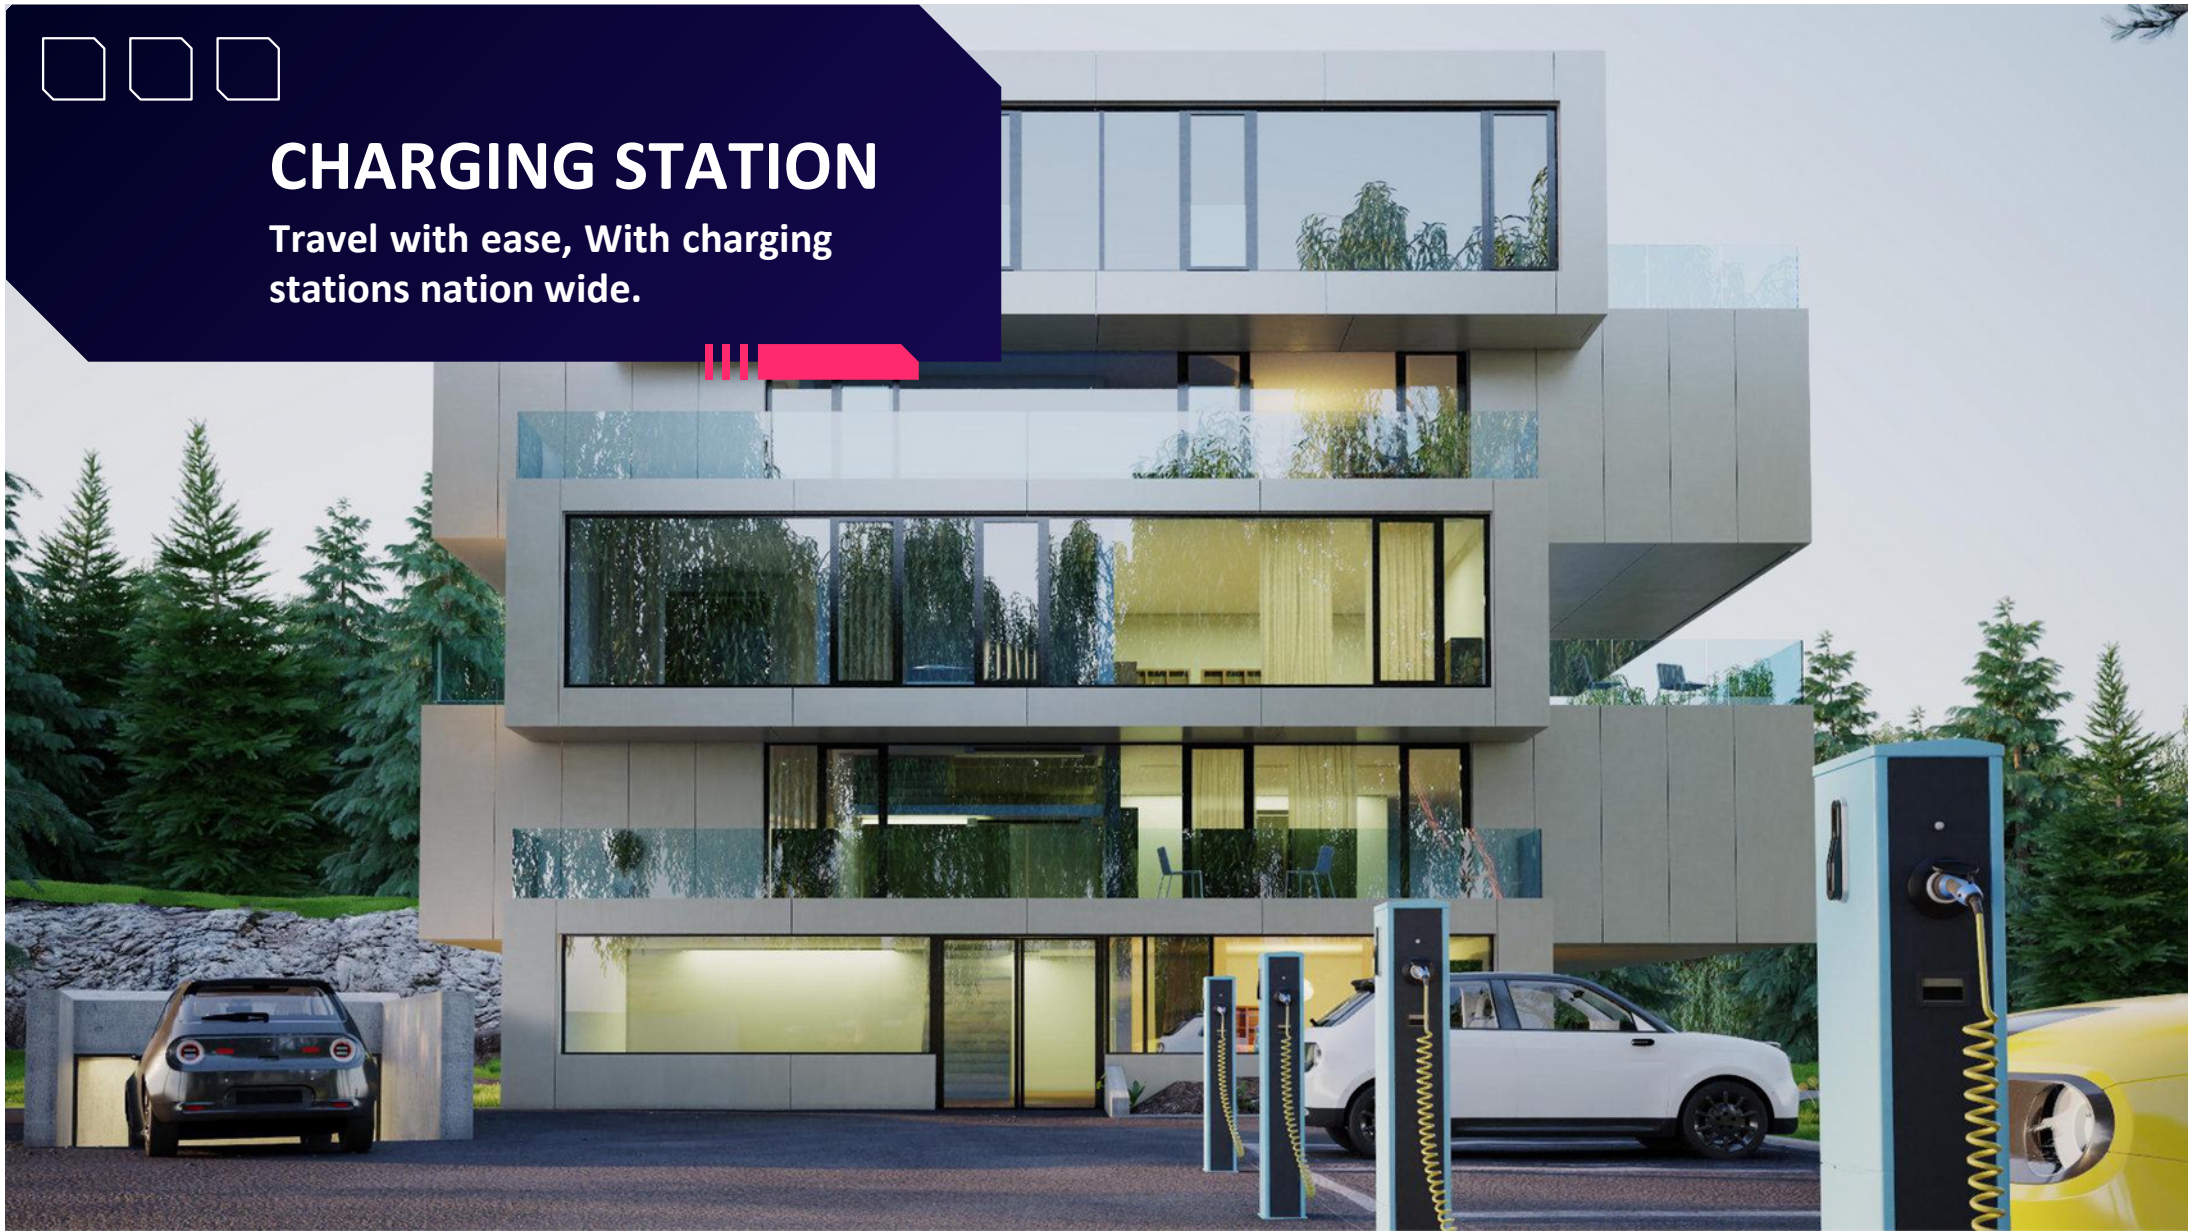

FUTURE is NOW

Come and become the part
of the future now and gain.
Travel from Lahore to
Islamabad in less than 1500
PKR.

CHARGING STATION

Travel with ease, With charging stations nation wide.

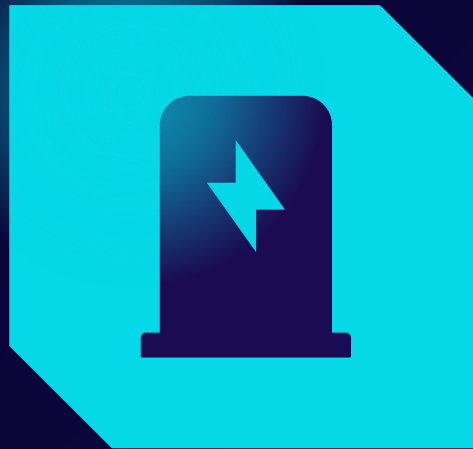

MAJOR REQUIREMENTS

Increase in EVs on the road

By 2030 the numbers of EVs on the road will increase up to 45%.

The total cost of ownership for EVs is lower than gas-powered cars

People are looking towards cheaper options and Evsare at the top.

You'll no longer have to pump gas—or spend gas money

Petrol prices continue to grow and until today there is no alternative in Pakistan.

Electric cars are better for the environment

with no tailpipe emissions, electric cars can also help reduce air pollution

WORLD IS BECOMING GREEN

With major developments in technology and greener energy, Dream of Electric vehicles has been realized.

PROJECT PROGRESS

GOVERNMENT ENDORSEMENT

ADM is Actively in touch is government officials and received assurance and confident for the project

RELIABLE MANUFACTURERS

ADM has cooperation with manufacturer to design and share technology in Pakistan

INVESTMENT

ADM intends to keep 95% of the stake in the company and looking for a joint venture in Pakistan

EV MANUFACTURING in Punjab

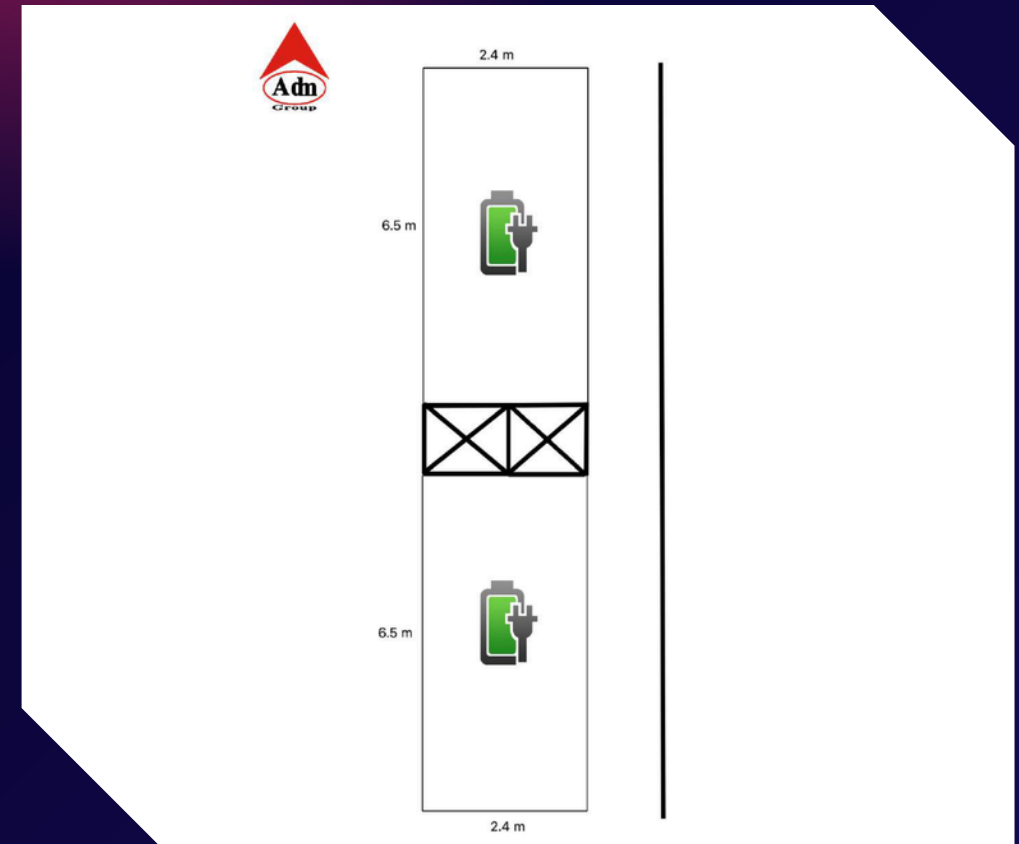

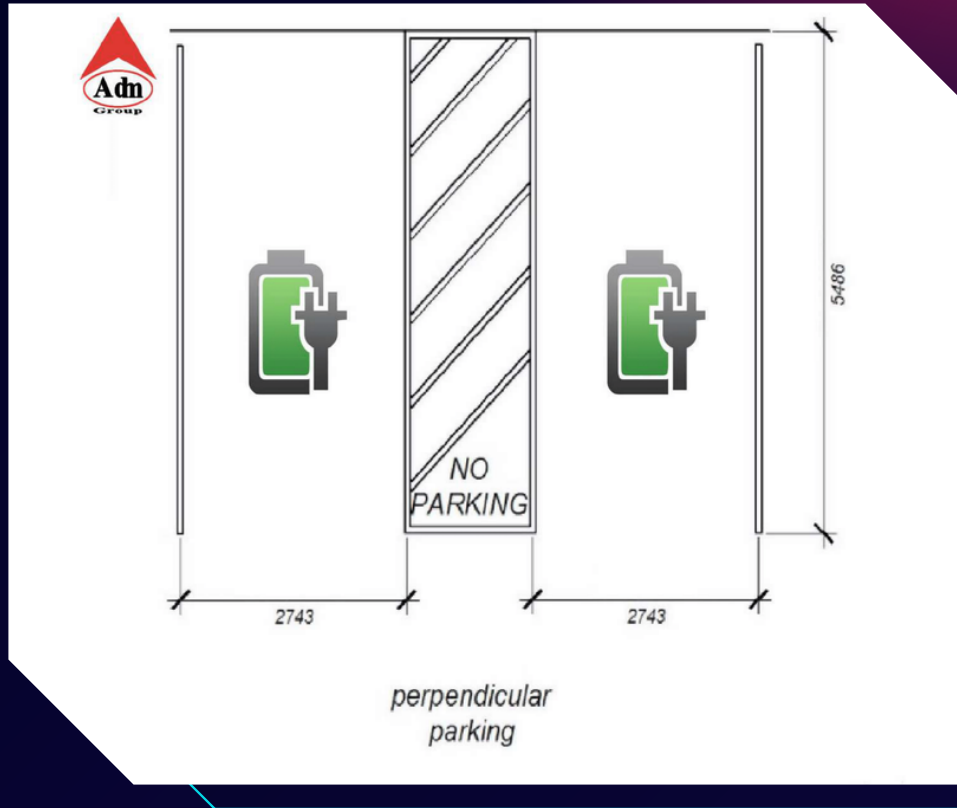

PBIT held an online zoom meeting with ADM Group, China through Consulate of Pakistan to Shanghai. The objective of meeting was to share the investment regime of Punjab and identify land for EV manufacturing in Punjab and connect with the local partners for JV matchmaking. H.E Consul General of Pakistan to Shanghai, Team of ADM group from China and team of PBIT and Representatives of Railcop Group (owner and developer of upcoming private SEZ) from Punjab participated in the meeting. Both sides discussed the SEZ framework of Punjab and agreed to work together in future with mutual consent and PBIT as an IPA shall facilitate them to identify land and connect with the local JV partners.
